

# SU GLORIA

*“Not to us, oh Lord, not to us, but to your name be the glory, because of your love and faithfulness.” Psalms 15:1*

## A LOVE... ☺

In the last newsletter, we compared this time here in the U.S. as being in the ark, like Noah. God told Noah to build the ark, to get in, but He never told Noah how long they were going to be in the ark. We still don't know either. Abner had his appointment on March 9<sup>th</sup>, then about a month later we received an “intent to deny” notice. This notice gives us 30 days to appeal and provide more information, which we have gathered and Abner will submit it in person on May 3<sup>rd</sup>. Then, we wait again to receive their final answer. We believe that the Lord has went before us and He will be the lawyer that we need in order that Abner will have his citizenship and we will be able to return to Honduras soon. Keep praying!

In the meantime, we have seen the hand of God moving. Again, I think of the ark. How many times Noah must have been looking for signs of land on the outside of that ark, that maybe he missed what was going on in the inside. I don't want to miss this. God is doing a work in our family...in our marriage and in our children that makes staying in the “ark” worth it. The top picture is a time that we took as a family to wash each other's feet. As each one took their turn, it was a privilege to hear their hearts as they prayed for each other. We have seen on homeschooling has helped to bring our children closer as siblings as well. In the second picture, Susana made her faith in Christ public through baptism, and Abner was able to be a part of that. As we were lying in bed that night recapping the day, Kendra commented, “I had a big smile on my face when Susana came out of the water...that was my BIG sister.” Through tears and smiles, we were all so proud of her!

Since we are still here, Abner Daniel was able to do another 8 weeks of soccer at the YMCA. (3<sup>rd</sup> picture right) This time Susana played as well and really enjoyed it. Our friends from Ohio, the Farrants, were in the Chicago area and we were able to spend a day at the Discovery Museum with them. (4<sup>th</sup> picture right) This friendship has endured time and distance and I praise the Lord for Beckie and her dear family. I feel that we can't end this newsletter, without also thanking God for the parents that He has given us, the grandparents that He has given our children. After now almost 8 months of living together in close quarters ☺, this ark would not be the same without them. Thank you so much for not throwing us overboard. You two are such a blessing!! (1<sup>st</sup> picture left.)

## IN HONDURAS

Many of you have asked if ministry has continued in Honduras while we have been here and the answer is YES!! Praise the Lord that the worship center for children is about to complete their second session with us absent. School continue to be visited to take sexual abuse education to grades k-6<sup>th</sup>. (Picture below) We are looking forward to getting back and training volunteers to open the pregnancy crisis center. God continues to move!

## AREVALO “NEEDS”

Another question we are asked is, “What are your personal needs in Honduras?” Two rise to the top of the list: A second car for our family and more monthly supporters. Since being here in the U.S., we have been contemplating the idea of buying a car here for around \$2500., shipping it for \$1200, and then paying the \$1300 to get it into the country. Pray for wisdom, the right car, and the money needed. As for monthly support, we are \$880.00 short still of the \$4000.00 that we approved to raise on a monthly basis. We are praying for **FAMILIES** to commit to see this happen. We love seeing a whole family supporting us and praying for us together. Let us know how the Lord is leading you.

# KEEP PRAYING!

## PRAISES!

- \*Continued contentment as we wait.
- \*His continued provision and blessings.(I cannot believe the provision of clothes that we have received since being here.)
- \*4 more weeks and we will be "done" with school!
- \*Susana got baptized. 😊

## PRAYER REQUESTS:

- \*Abner's appointment of appeal, May 3<sup>rd</sup>.
- \*Pray for wisdom and provision concerning a 2<sup>nd</sup> car. We could get one here and send it there for around \$5000.00. (A better car, for a better price.)
- \*Buyers for our house in La Ceiba.
- \*Prayer for Gaby as she remains in charge of the Restoration Center.
- \*The mayor of Tegucigalpa continues to guarantee us land for the Restoration Center—pray that we would see the evidence of this.
- \*\$880 more in monthly support. 😊
